Figure 4: Student Queue Status Interface

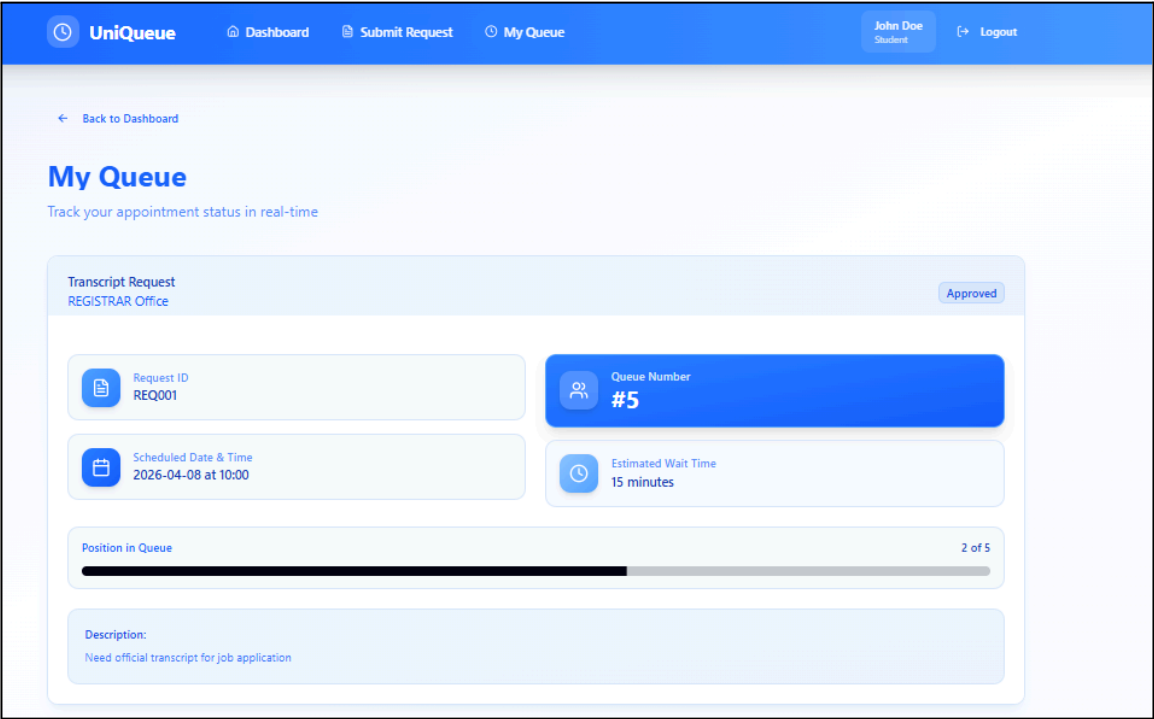

Figure 5: Staff Dashboard

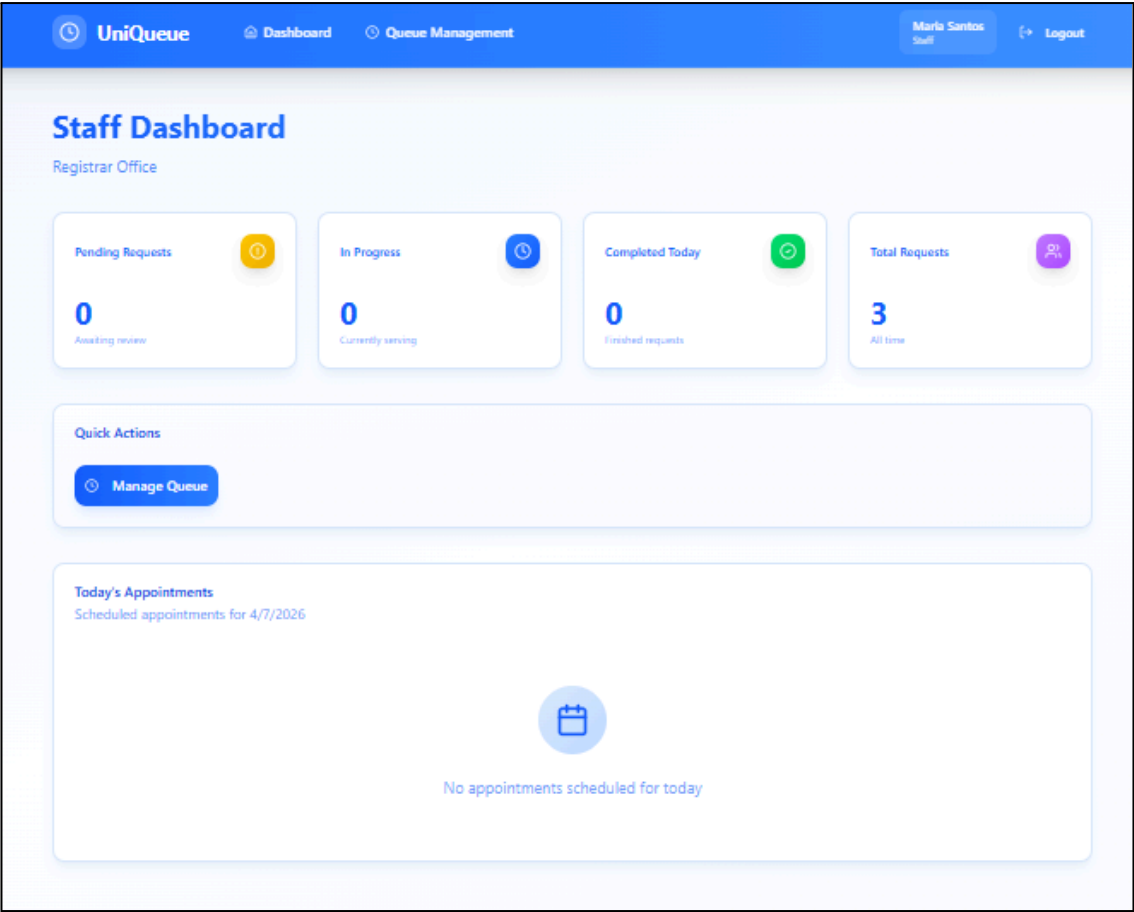

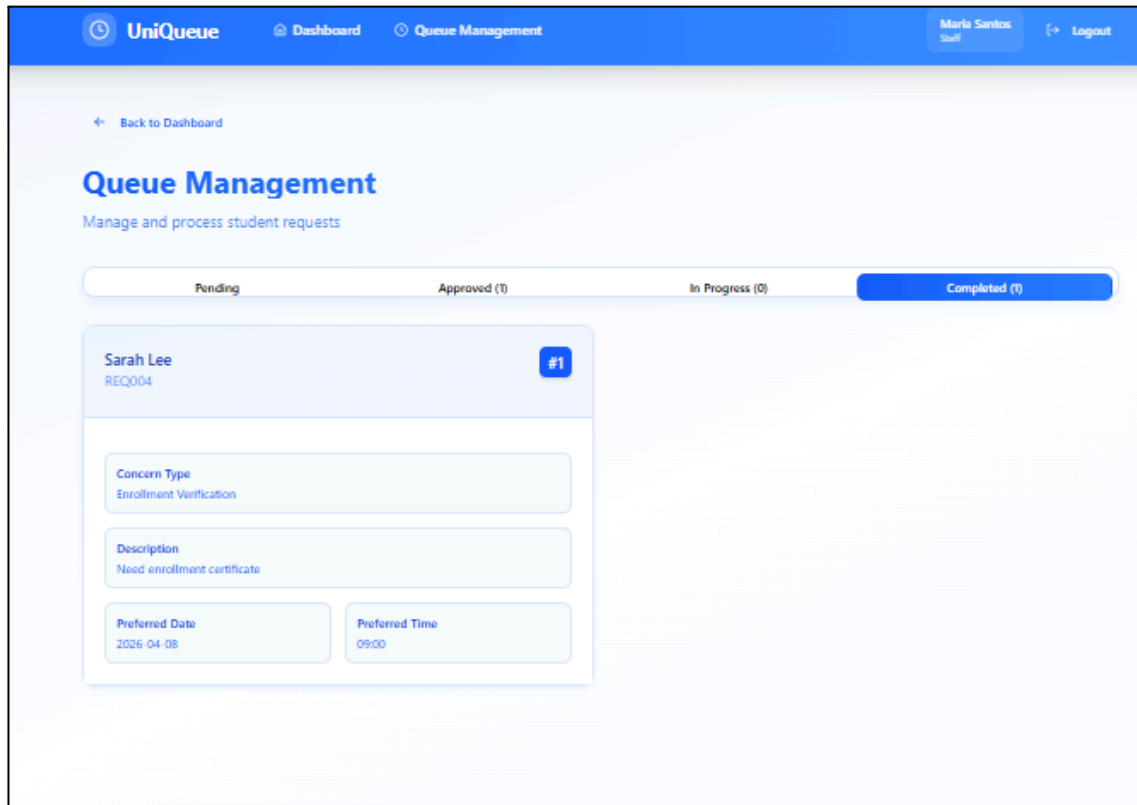

Figure 6: Staff Queue Management Interface

The screenshot displays the 'UniQueue' Staff Queue Management Interface. The top navigation bar is blue and contains the 'UniQueue' logo, a 'Dashboard' link, a 'Queue Management' link, and a user profile for 'Maria Santos' with a 'Logout' button. Below the navigation bar, there is a 'Back to Dashboard' link. The main heading is 'Queue Management' with the subtitle 'Manage and process student requests'. A progress bar at the top shows four stages: 'Pending', 'Approved (1)', 'In Progress (0)', and 'Completed (1)'. The 'Completed' stage is highlighted in blue. Below the progress bar, a card for 'Sarah Lee' (REQ004) is shown with a '#1' priority badge. The card contains four fields: 'Concern Type' (Enrollment Verification), 'Description' (Need enrollment certificate), 'Preferred Date' (2026-04-08), and 'Preferred Time' (09:00).
